

# When Your Cargo Is Livestock, Put Our Experience To Work For You

- Generous standard coverage
- Wide range of coverage options
- Easy single-source access to underwriting and claims expertise

## Specialized Coverage For Vital Insurance Needs

### **Livestock transit coverage**

Provides death and crippling coverage on a broad perils basis for covered livestock while in due course of transit.

### **Livestock transit coverage - Limited**

Provides death and crippling coverage on a names perils basis for covered livestock while in due course or transit.

### **Additionally covered property in transit coverage**

On a broad or named perils basis, provides coverage for other property that livestock haulers may transport when they are not hauling livestock. Typically, the covered property is other agricultural commodities, but we will consider coverage for various property types upon request.
