

Graham-Rogers Gives Back

On Friday, July 15th, 2022 teammates in our Bartlesville office along with some of their children spent a few hours donating their time to Mary Martha Outreach Center. Mary Martha Outreach provides clothing, food and crisis aid to those in need in Northeast Oklahoma. Our team spent time hanging and organizing clothing items to help with their clothing outreach program which helps to provide everyday wear and business wear items to those in need. At Graham-Rogers, we have continued our history of serving the community in which we live, work and play by adopting our corporate #CultureofCaring.
